

## Activity – Shipping internationally

**Aim:** Consider the various options and pros and cons for sending a parcel internationally

**Individual or with the class:** individual assignment with group/class discussion

**Duration:** 1 hour

### Assignment 1a

You need to ship an item of 2,5 kilogram from your hometown to the following address:

Bundestag  
Platz der Republik 1  
11011 Berlin  
Germany

- Find out the cheapest solution.
- Then discuss with your group or class the solutions they found and the pros and cons of those options.

### Assignment 1b

See Assignment 1, but this time your item needs to arrive **in 2 days latest!**

- Find out the cheapest solution.
- Then discuss with your group or class the solutions they found and the pros and cons of those options.
